Quality Line Fury is a very true to type macho with a very good conformation, a beautiful head type and a desirable fleece style. Fury has won several ribbons in his career so far, including Best Beige Male at the Assen Alpaca Show 2013. Although slightly beige, he was part of a heavy white class at the Ilshofen Show 2014, where he won a 1st place in his class, Reserve Champion White Male and Reserve Champion Male Huacaya. Only animal that had beaten him that day was the later Grand Champion of the show. With both Jolimont Commisario and EP Cambridge Peruvian Ceasar as his grandfathers, he carries two of the most sought after bloodlines in the world.
